RE: Report Required in WC Docket No. 10-90 Regarding FCC Rules 54.313(a)(2) through (6) and (h).

Dear Ms. Dortch:

The following information is submitted by Allendale Telephone Company pursuant to WC Docket No. 10-90 as specified in the Public Notice released May 8, 2012 (DA 12-729). Please contact me with any questions.

Respectfully,

A handwritten signature in black ink, appearing to read "Todd Roesler", written over a horizontal line.

Todd Roesler
CEO
Allendale Telephone Company
SAC 310669 and 310692
207 E Cedar
Houston MN 55943

Annual Reporting Requirements pursuant to 54.313(a)(2)-(6)

54.313(a)(2)

ETCs are required to submit detailed information on any outage in the prior calendar year, as that term is defined in 47 CFR 4.5, of at least 30 minutes in duration for each service area in which an eligible telecommunications carrier is designated for any facilities it owns, operates, leases, or otherwise utilizes that potentially affect

- (i) At least ten percent of the end users served in a designated service area; or
- (ii) A 911 special facility, as defined in 47 CFR 4.5(e)

Company Response:

Allendale Telephone Company had no outages in 2011 that meet the criteria.

54.313(a)(3)

ETCs are required to report the number of requests for service from potential customers within the recipient's service areas that were unfulfilled during the prior calendar year. The carrier shall also detail how it attempted to provide service to those potential customers.

Company Response

Allendale Telephone Company has no requests for service that were unfulfilled.

54.313(a)(4)

ETCs are required to report the number of complaints per 1,000 connections in the prior calendar year.

Company Response

Allendale Telephone Company received 2 complaints per 1,000 connections in the prior calendar year.

54.313(a)(5)

ETCs are required to certify that it is complying with applicable service quality standards and consumer protection rules.

Company Response

Allendale Telephone Company certifies that it is complying with applicable service quality standards and consumer protection rules.

54.313(a)(6)

ETCs are required to certify that it is able to function in emergency situations as set forth in §54.202(a)(2).

Company Response

Allendale Telephone Company certifies that it is able to function in emergency situations as set forth in §54.202(a)(2).

54.313(h)

All incumbent local exchange carrier recipients of high-cost support that offer flat rates for residential local service that, when combined with certain state fees, are below the local urban rate floor are required to report lines and rates in effect for those rate plans as of January 1, 2011. **The urban rate floor for the 2012 filing is \$10 per month.** State fees are defined pursuant to §54.318(e) of this subpart and the local urban rate floor as defined in §54.318 of this subpart.

Company Response

Allendale Telephone Company certifies that it has no rate plans, including state fees, below the urban rate floor.

I am authorized to make this certification on behalf of the Allendale Telephone Company and to the best of my knowledge the information reported on this form is accurate. This certification is for the study area(s) listed below.
